## **GEORGETOWN, OHIO Saturday, April 10, 1948**

**Sponsored by the  
Southern Ohio Shorthorn Breeders Association**

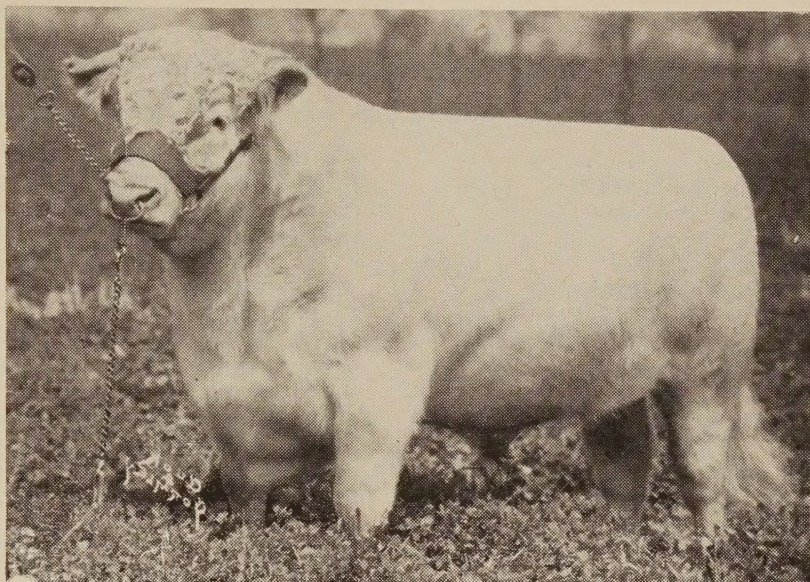

Southern Ohio breeders have retained their best for their first annual sale of quality Shorthorns. Here buyers will find well bred, rugged herd sire prospects and top quality females that will fit into good herds and achieve outstanding results. Shorthorns will return more for your dollar of investment than any other equipment that you can put on your farm. They have the ability to reach that much desired weight at an early age and are able to convert grass and other cheap roughage into more pounds of beef. You too can prosper in the cattle business by securing bulls and females at this sale. Plan now to add some of these well bred individuals to your herd.
